I had a very exciting day on my winter holiday!
 Now I want to tell you about this day. So let's start.
 As a matter of fact, smile on your face, cuz' I think
 my story will give you some kind of good emotions.
 My amazing day began at my home. In this simple
 day I was looking the TV. On YouTube, I clicked
 one video about new released game that is now
 in trends. This game is called "Five nights at Freddy's"
 As I understood, FNAF is horror game with jumpscare,
 flashing lights and some kind of cruelty and violence.
 All of my day I was sitting on the couch, and looking
 all walkthrough of this game. You know what, I advise
 to you to play once this really cool game.
 Because of story, I mean the storyline of this
 made by genius people. I've never seen one game
 better than this in my life. Playing Five nights at
 Freddy's can give you some excitement and
 only good emotions. I mean you will feel yourself
 better after playing this nice game.
 You need to know about me one fact. I'm die
 hard of horror indie games. Now I can tell that
 I'm the biggest fan of this creation.
 In conclusion, I want to say that words:
 We are all different and we all have our own choices,
 tastes and etc. You know, that day was amazing
 and wonderful in my life. I advise to you to
 check out the horror video games. For today, I mean
 these games what is now in trends. You will be
 surprised.

No, ^{we} I don't have homework in our holiday, only literature, which the teacher recommended to read us. We have done our school program for this half of year. I think you have to do homework in hot days. If you don't do it in the school. If you have done all the homework, you have to relax too. All the holidays. I've never seen how heard that there are people who have homework in holidays. I hope you will be able to do all the work at school.

Hi Jack! I think you remember that I took your dictionary. I wrote everything down in my dictionary. And I didn't know so many words! I don't think that you learn so much. I think your English level is improving and improving. So I promised to return it by yesterday. But I didn't. I want to apologize for it. I'm sorry. I couldn't meet with you yesterday because my family decided to go on a small holiday. I really didn't know that we went to a village which placed not far from our city. We were having a good time together all day. And now I'm home. I hope I can return your dictionary. Do you mind if I go come to you? I bring your dictionary and a small surprise. I think you'll like it! So I should go. I'll come to you at 10 o'clock in the morning. Wait for me!

My house is a normal for my family. It's very comfortable for me. Everyone have a room. In my house we live my oldest brother. And he also have a room. Also we have a bathroom, kitchen and also. I would like to change ~~our~~ my room. Because I don't have a door flauke, It's heard louder. But, that's fact. And i would like to change our bathroom. ~~Because~~ because, our bathroom is very smaller, and it's not comfortable. I think it is similar to my dream house because, it is my house. Only my and my family. Our house have a garden. ~~But in my house too.~~
