Writing

A Memorable Day

I have a lot of memorable days on my life. I am person who love travel around the world and having fun. I like to travel with my family. On July 25, my family and I decided to go away to the town Zhuney, which is located behind Buralay. We woke up early and starting getting ready. My mom makes many tasty snacks. I collected all of the necessary things into my bag. After my parents and brothers collect their items, we sit in my dad's car and set off. I watched how the picture of nature changed outside the car windows. After a long 3 hours, we finally come to the Zhuney. Zhuney is a very beautiful village with incredible nature, beautiful buildings and houses, and a big, clean lake. My dad parking the car in the convenient place. The sand was so warm and soft! He and my sister helped to my mom with cooking. My dad fried kebabs and sausages and my little brother just swam and played with the sand. In the end, we took a lot of photos for memory. It was so fun. This trip would forever hold a special place in my heart. Because, I am very love to spend time with my family. In my family have 6 people. Since I have 5 siblings, I am never bored. I am very attached to my family. A memorable day associated with the family party. In conclusion, all of the special emotions I have ever feel, all of the memories always be associated with my family.
