writing.

I think what now all teenagers activism in social, I too teenager, and I'm activism in social. But i don't forget action in real life. I activis in school, I have be activist. Because all) In my opinion, all teenagers they your close day. But, now and in social's internet can find money. Now all do it. But, I don't want, because it not usefull. I used to take a ~~photo~~ photo, all, and I won't understand about it. In 6th, year, now all that young people have a photo, it not beautiful! For me it awfull. People should enjoy life. Because, life it second not occive. And be occive in real life. Activist it do us cheepfully, we will solve all people in life, not sky. So, let be activist in life, it my advise not teenagers, it advise all young, old people. Social it not need us.
